

Hospital Board Election Waived For Next Month

Firpo Replaces Scott On Board; Streets To County

The Nevada County Board of Supervisors on October 16 are scheduled to appoint James Sheritt of Soda Springs and Asa Abbott of Kings Beach to succeed themselves as directors of the Tahoe Forest Hospital board of directors.

The election, which had been scheduled for next month, has been waived when only the two incumbents filed their petitions without opposition. Under a code governing such elections, C. R. Heller, president of the board, announced, it is not necessary to ballot on the incumbents if no opposition is presented on nomination petitions.

The next election is scheduled for 1954 at which time the terms of Heller, C. B. Sederberg of Tahoe City and Nace Firpo of Truckee will expire.

Firpo was appointed to the board at last Friday's meeting and replaces R. A. Scott who has left here to reside at Chowchilla.

The board at Friday's session also voted to deed to the county of Nevada the three one-block streets, Lavon Avenue, Tahoe Drive and Pine Street. These arterials lead from Highway 40 to the hospital grounds and extend across the front of the hospital. They were recently graded and surfaced to be acceptable to the county and have been approved by J. F. O'Connor, county road commissioner.

The rules and regulations governing the hospital were read and approved by the board and conform with the stipulations of the California and National Medical Associations.

Members of the hospital staff approved by the board include Dr. L. D. Nelson, Dr. George Hahn, Dr. J. F. O'Neill, all of Truckee, and Dr. Jose Nessim of Kings Beach and Dr. Oliver Scow Jr. of Truckee. The latter is a dentist.

Japanese Talk Is Given Before Club

Professor I. J. Sandorff of the University of Nevada's engineering department spoke and showed films on Japan at the meeting of the Lions' Club last night at Donner Lake Lodge. The talk was timely, well presented and thoroughly enjoyed by the members and guests. Among the latter were Harold Miller, Ed Gordon, O. B. Merrick, all of Grass Valley; William Porter and Dr. George Hahn of Truckee.

C. R. Heller was the program chairman and Angelo Besio presided.

Mrs. Ruth Campbell Is Honored by Lodge

Noble Grand Pearl Heller presided at a meeting of Naomi Rebekah Lodge No. 2 on the evening of September 24. Visitors for the evening were Mrs. Jean Dolley of Santa Cruz and Mr. and Mrs. Bruhn of Vallejo.

Following a short business session, members gathered for a "hanky" party in honor of Mrs. Ruth Campbell, who expects to leave this area soon. Refreshments were served by Lydia Pabst and Louvena Rablin.

The goodfellowship chairman from Loyalton will visit at the October 8 meeting and bring the "Heart of Friendship." The visitors have a program planned for the evening an all members are urged to attend.

Tahoe-Sierra Chamber Holds Meet Tonight

The second regular meeting of the Lake Tahoe-Sierra Chamber of Commerce officers and directors is scheduled for tonight at George's Gateway Club, Stateline, at 8 p.m. In addition to officers and directors, all new committee members are urged to be present, as many important committee discussions are on the agenda, as well as a general clarification of policy and of winter work plans. General members and prospective members are welcome to attend.

Confusion Over Appointment Of Official Studied

Certification is Lacking in Appointment Of Mrs. Foley

The appointment of Mrs. Doris Foley as superintendent of schools in Nevada County to succeed the late Walter A. Carlson has hit a legal snag which leaves the office apparently wide open and places a task before the board of supervisors and District Attorney Vernon Stoll.

Supervisor H. G. Loehr reports that when the board named Mrs. Foley at a special meeting September 26, it was on the assumption that she could and would obtain a required certificate from the department of education. Yesterday it was revealed this certificate was not forthcoming and Mrs. Foley was not qualified for the office.

In the meantime she had been conducting the affairs of the office, the legality of which is not seriously questioned.

The other applicant for the position, R. Lee Ross, is held by his supporters to be qualified and holding the necessary certificate entitling him to the appointment.

Loehr said another meeting will be held in an attempt to straighten out the difficulties. In the interim, Nevada County is without a school superintendent.

QUESTION BOXES SPONSORED HERE ON BALLOT ISSUES

Question boxes will be placed in local business buildings on October 6, sponsored by the Parents and Teachers Association where voters are asked to drop questions relating to amendments to be on the November 4 ballots concerning legislation for schools.

Art students from the sixth grade of the Truckee Elementary School are designing the posters, attracting public attention to the boxes. Superintendent of Schools E. V. O'Rourke, Douglas Barrett, Mesdames Ray Hintz, Robert Leamon and John Roberson will supply answers to the questions earlier deposited in the boxes and lead open discussions on the subject at the October 13 meeting of the organization to be held in the local elementary edifice.

SUPPORT ASKED IN SEEDS FOR FREEDOM

Truckee Cub Scouts are sponsoring the "Seeds for Freedom" campaign locally and are appealing for public support. The drive is to supply vegetable seeds to help our friends abroad rehabilitate their farms and gardens, enabling them to contribute more heavily to their own post-war revival.

John Firpo has spoken on the program before the Lions Club, Larry Reid discussed it with the Rotary Club and Terry Walker appeared before the 20-30 and Weythia clubs on behalf of the project.

Boxes are being placed in various stores around town and those wishing to may contribute either seed packets or their price to the Cub Scouts.

Women Are Thankful For Support at Sale

The Woman's Society of Christian Service extended thanks to all those who so generously helped to make their recent rummage sale and pie sale such a success. A sum of \$161 was raised from the affair.

Members are reminded that the annual bazaar will be held November 14.

Huge Bear Is Slain By Turlock Hunter

One of the biggest bears killed in this area for some time was shot by A. B. Bell of Turlock, who was hunting in the vicinity of Tinker's Knob last week.

The animal, a fine specimen of brown bear, weighed 600 pounds. Mr. and Mrs. Bell had been visiting in this community.

Record Set For Fines Collected In Local Court

Judge F. W. Wilson of the Truckee Judicial District Court had the busiest month from a standpoint of fines and fees collected during September than any previous month in the court's history.

A total of \$3,769.75 was collected in fines for the month. Of this total \$540 came from game law violators and half of this or \$270 will be turned over to the state.

Traffic law violators paid the major portion of the total with \$3,151.50.

Other recent remittances from Judge Wilson to the county treasury have been: May, \$2,564.25; June, \$1,810.50; July, \$2,157; August, \$3,126.75.

ADULT CLASSES TO BE STARTED HERE AT LOCAL SCHOOL

Adult education classes for the Tahoe - Truckee Unified School District shall have their first meetings on October 7 and October 9. Classes which are tentatively scheduled are typing, bookkeeping, painting, woodshop and physical education.

Most of the classes will meet once a week for a three hour period. Classes that will have their first meeting on Tuesday, October 7, will be typing, painting, woodshop and physical education. Classes that will have their first meetings on Thursday will be bookkeeping and woodshop. All classes will start at 7 p.m.

Adult education classes will meet for six week periods or a total of 18 hours, with the exception of physical education which will meet for 36 hours.

Should there be sufficient interest in a class not listed, it can be made available provided that a total of 15 adults request the class. For any of the above mentioned courses there must be a regular attendance of not less than 12 in order that the class may be continued.

STOLEN CLOTHING RECOVERED HERE; BOYS ARE NABBED

Recovery of several hundred dollars worth of women's clothing, abandoned on the airport road, four miles east of Truckee by Constable N. F. Dolley is believed to have cleared up the theft of an automobile from its parking place in front of a Reno residence.

The car, belonging to Joseph J. Shepherd, Reno, was packed and ready for a trip to Alaska, when it disappeared some time between midnight and 7 a.m. Tuesday morning.

The Reno police were notified and it was learned the car had passed through the Truckee quarantine station between 4 and 5 a.m. traveling west.

At 9 a.m. Yuba City police telephoned that a car answering the description of the one stolen was being held there and that two boys, aged 16 and 18, armed with two new pistols, who were in possession of the vehicle, were being detained. The license plates on the car had been changed for a pair stolen from a car near Marysville, police reported.

In the meantime, a forest service patrolman discovered the large pile of clothing off Highway 40 on the airport road and reported the find to Dolley who immediately got in touch with Reno authorities. Laundry marks on the clothing established ownership.

The two subjects held in custody are expected to be questioned by federal officers and possibly held on a charge of transporting a stolen vehicle across a state line.

BIRTHDATES FETED IN SCHOOL PARTY

Mrs. George Tiffie, teacher, with Mrs. John Gracik, room mother, gave a party on the last of September for children in the third grade who had birthdays in September and October. The special cake was cut for Barbara Erving, Dennis Chaney, Martin Johnson, Barry Leamon, J. C. Roberson and Freddie Steele.

ADVERTISE

Sun Beams

by Walter M. Barrett

We probably like dogs as well as anyone and a small boy without his dog companion is missing a great deal. We believe, however, that there is a place for dogs—good or bad—and one of these places is not a children's playground. We noticed no less than four dogs romping among themselves and a group of children in the Truckee elementary school ground the other morning. Nothing could be more harmless if all dogs and all children were of the same gentle nature, but unfortunately this is not the case. There are some dogs who are devoted to one boy or one girl and would fight off anyone who molests their master in the slightest degree, even to the point of vicious attack. There are other dogs who don't object to a bit roughness by strange youngsters and still others who will snap at them without hesitation. Provoked and unprovoked attacks by dogs on children are recorded too frequently in newspapers and our suggestion is that dogs, regardless of their seeming gentleness, be kept at home and certainly not be permitted to frequent areas where children are playing. The old law which once allowed a dog his first bite has been changed in these many years.

LOCAL WATER IS FOUND PURE BY LAB EXAMINATION

Water in Truckee Public Utility District lines is not contaminated with coliform organisms and is suitable for drinking.

This is the verdict of the Affleck Laboratories at Sacramento which has just completed an analysis of the water, samples of which were taken from the drinking fountains at the Tahoe Forest Hospital and the Tahoe-Truckee high school. The report said that the presumptive test for coliform organisms was negative.

The tests were ordered by the utility district after complaints had been received that the water was causing some illness. The analysis proves, the district concludes, that the water is not the cause and is suitable for use.

HUNTER PAYS \$300 FOR KILLING DOE

James T. Preston, 24, Redwood City and former Truckee resident, was fined \$300 and his rifle confiscated by Judge F. W. Wilson this week after being found guilty of killing a doe near Schaeffer's Mill south of Truckee. He was cited by Deputy Sheriff Oscar Schumacher of Truckee Sunday.

Archery Meeting Here Next Week Called Off

A proposed organization meeting of a local archery club, scheduled for October 14 at the home of State Patrolman Carroll Maynard, has been cancelled.

Maynard this week received notification from the patrol headquarters that he has been assigned to the special enforcement squad of the patrol at Sacramento and will be there from October 13 to 30.

The patrolman said he would set another meeting date upon his return to the Truckee squad.

Plan Progresses For Buck Stew On October 12

Committees this week are starting out in earnest preparing the annual buck stew, sponsored by the Truckee Outdoor Sportsmen, to be held at Capitol Hall Sunday, October 12.

President Johnny Ciardella and Vice President Charles Osburn, with other members of the committee, are making arrangements for the various gifts to be given away and making the necessary arrangements for the preparation of the feast.

Mr. and Mrs. Ciardella will be chefs at the affair and there will be ample of the savory stew and trimmings for everyone attending.

No charge is made for the feast, starting at 2 p.m., and everyone is welcome without obligation.

DRIVER HELD FOR HIGHER COURT IN LOCAL HEARING

Mario Antonio Cabbana, Dutch Flat resident and employed as a track walker by the Southern Pacific at Blue Canyon, was held to answer to the superior court on a charge of drunk driving resulting in injuries when he appeared for a preliminary hearing Tuesday before Judge Fosten Wilson here.

Bail was continued at \$1500. The amount originally set at \$5,000 was reduced by the local court and Cabbana was at liberty. Judge Wilson appointed Harold Berliner of Nevada City as defense attorney and District Attorney Vernon Stoll is handling the prosecution. Court Reporter Miles Coughlin also made the trip to Truckee from the county seat.

Cabbana was jailed after a car he was driving on Donner Summit collided with one driven by Patrolman Albert Marty Jr. of Sacramento. Mrs. Marty and Mrs. James Brewer, wife of a highway patrol sergeant, also of Sacramento, were injured.

MANAGER OF FISH AND GAME DISTRICT NAMED BY GORDON

Appointment of the five regional wildlife managers under the reorganization of the state fish and game department were announced last week by Director Seth Gordon.

Named for district two, the Sacramento Region, which includes Alpine, Amador, Butte, Calaveras, Colusa, El Dorado, Glenn, Nevada, Placer, Plumas, Sacramento, San Joaquin, Sierra, Solano, Sutter, Yolo and Yuba counties, is Robert L. Montgomery, 38, is from Michigan where he has had a large amount of experience in fish and game projects. Only two Californians, James D. Stokes and John F. Janssen, were named to the board. Other members are R. L. Jones of Massachusetts and William B. Morse of Oregon. All were selected for their experience and passed rigid examinations.

Birthdays Are Feted At Donner Lake Party

Mesdames Martin Johnson and Joe Straub were hostesses to a large group of friends at the Donner Lake home of the former Saturday in celebration of the birthdays of their sons, Martin Johnson, who was 8 September 27 and Monte, who was four years old September 28. Monte's cake and table arrangements were in the Indian motif while Martin Jr.'s was carried out in the cowboy theme.

In the Straub group were Judy and Jean Wakefield, Fosten Wilson Jr., Linda Elf, Mary Ann Miller, Lynn Bays, Sue Guymier, Russell Glenn, Wilbur Glenn Jr., Pamela Rose, Ronnie and Karen Walker, Leland Pratt, Kathy Johnson, Tamara Richards.

In the Johnson group were Barry Leamon, Terry Walker, Charles Glenn, Dorette Rose, Shirley Guymier, Shirley Patton, Gene Miller, Terry Ellis, Donna Gracik, Mary Pratt, Joey Straub.

Mr. and Mrs. R. T. Joslin returned to San Francisco last week end.

First Employees In Local Bank In New Location

Reception Held Here As Bank Moves Into New Home

An interesting feature of the moving of the Truckee branch of Bank of America into its new and modern \$150,000 plant Monday is the fact that two members of the original staff moved with it.

One of these, C. B. White, original manager of the first bank and until a few years ago, manager of the Truckee branch, is no longer associated with the staff but maintains his insurance office at the building, having a large divided office for his business.

The other veteran staff member is Miss Menia Moretta, who, with White, comprised the staff of Truckee's original bank in 1923, when it was located in a small building near the new structure. Later, in 1928, when the Bank of America took over the old institution, it was moved to the Sierra Tavern Building where it remained until Monday.

Manager Robert Saunders and his staff were hosts to scores of visitors at the bank Monday when everyone was given an opportunity to survey the 4360 square feet of modern facilities and enjoy the hospitality of the staffers. All the women visitors were presented with corsages.

SHELDON JONES IS NEW PREXY OF HIGH STUDENTS

The student body elections held at the Tahoe-Truckee High School were conducted during the past week, September 22 to 26.

Sheldon Jones was elected president; Jerry Quam, vice president; Irma Naus, secretary; John Moore, treasurer, and Debra Danley was chosen head cheer leader. The officers elected to the student body will hold office throughout the entire year.

Each class elected a representative to meet with the student council and report back to their classes all that had transpired during the council meeting. Problems that face any class are carried to the council by the representatives for their consideration.

GAME OFFICIAL IS ROTARY SPEAKER

The Truckee Rotary Club met at Brown's restaurant on Monday evening and F. J. McDermott of the fish and game department's law enforcement division at Santa Cruz was present to give an interesting talk on how to help the local community as business men by having fair prices and fair trade practices for those who come seasonally.

He also told how much game is being sold on the black market and gave comments on game work in various parts of the state.

John Lawrence of Ottawa, Kansas, was a visitor.

Sportsmen Will Unite In Battle To Protect Fish

Local, Reno, Tahoe Groups Will Cooperate to Save Trout

Joint efforts by a group of Truckee, Reno and Lake Tahoe sportsmen to prevent destruction of the fish life in the Truckee River through any one of various reclamation projects now under consideration will be taken if the object of a meeting held at Capitol Hall last Thursday is carried out.

The sportsmen agreed that only through concerted effort can the problem be solved, it being pointed out that the three organizations concerned with the flow of the water in event a diversion dam is erected cannot be expected to take interest in the fish population.

These three organizations as listed by Attorney Fran Breen of the Washoe Fish and Game Commission, are mainly the army engineers, the federal bureau of reclamation and the joint water users committee. Any effort to control the river's flow must be considered by these three groups if effective action is expected.

It remains then, the speaker pointed out, for the sportsmen to exert sufficient influence to bring their demands to the attention of these groups and insist upon a written stipulation before construction is started. Unless this is done, he added, there is only a slim chance to restore fishing in parts of the river.

The sportsmen discussed the various projects contemplated and their effect upon the river. Dr. Paul Needham, University of California biologist, now engaged in a survey of Sagehen Creek from a standpoint of fish life, gave some interesting data based on his experience when the Shasta Dam was constructed. He also called attention to the economic value to the communities along the river from a standpoint of keeping it stocked with fish.

Fred Main, president of the Lake Tahoe-Sierra Chamber of Commerce, assured the group of the cooperation of the Tahoe organization, stressing the interest of Tahoe in maintaining a conservative lake level and constant river flow.

Other speakers included Johnny Ciardella, president of the Truckee Outdoor Sportsmen; Charles Osburn, vice president; William Granville, president of the Reno sportsmen; Frank Grouse, of the Nevada state fish and game commission; William LaMarr, California fish and game patrol captain, and others.

While no decisive conclusion was reached, it was unanimously agreed that action, strong action, must be taken to prevent destruction of the trout life in any part of the Truckee. More meetings among clubs and organizations will be held in the future to bring about a unified resolution.

High School PTA Will Meet Next Thursday

The high school PTA has planned an interesting evening for the first meeting of the current semester. The high school faculty reception will be held Thursday evening, October 9, with a potluck supper starting the evening's festivities at 7 p.m. in the high school cafeteria.

As a part of the program, the high school chorus will present a group of members and Jerry Quam will sing a bass solo. The High School PTA officers will be elected to serve for this school year. The remainder of the evening will be devoted to the reception for the high school faculty.

CHAMBER MEETING SLATED FOR TODAY

The October meeting of the Truckee Chamber of Commerce is scheduled for Brown's Cafe tonight at 7 o'clock. A number of important matters are scheduled, including a decision on a recent recommendation that the chamber sponsor restoration of the old Rocking Stone Tower, a local historic landmark, and a discussion on the Christmas decorations and programs.

Dr. Hahn Announces New Office Schedule

Dr. George Hahn announces that a change in office hours has been found advisable. In the future, the office will be open from 10 to 12 a.m. and from 2 to 5 p.m. daily from Tuesday through Saturday. Sunday calls must follow appointments and the doctor has selected Monday as his day off.

SWANEE'S Tahoe Letter

Tahoe City, Sept. 28
Dear Tahoeites:
Beautiful weather continues in our area but the buck hunting is reported not so good. Butch Beavers the first of last week checked in a forked horn for Jack Urch, San Francisco, a three pointer for Arthur Olson of Petaluma, a forked horn for Robert N. Dunan of Oakland and a four-and-two pointer for Steve Randall of Sacramento, all shot in the Diamond Crossing area. Since then there has been no other bucks to check. Constable Harry Johanson of Tahoe City said he hunted in the Webber Lake and White Rock Lake district yesterday and saw

mary a deer. He believes this is the poorest deer season the lake region has known for many a year and there are plenty of others who will agree with him. Judge C. W. Vernon checked in only one deer last week, a three pointer for a Santa Rosa resident, and Johanson has validated none for over a week.

Mrs. Marie Henry has received a letter from Captain Hans Hansen, formerly a resident for many years of Rubicon Lodge now living at Half Moon Bay. His friend, Canton Iverson, also well known at the lake where he visited frequently, was knocked down by an automobile on July 4, Hans writes, and received several broken ribs and bruises. He is reported recuperating nicely. Hans sends along his very best regards to all his numerous friends still residing in the Tahoe-Truckee area.

Late September and early October seems to be a time of numerous birthday celebrations and wedding anniversaries among present and former Tahoe residents. Among them are birthdays for Frank Kennedy of Lake Forest, September 22; Mrs. Jean Henry of Tahoe City and her houseguest, Mrs. Rosemary Donaldson of Oakland share September 25 and celebrated the occasion by accompanying their husbands to Reno for a dinner and evening of entertainment; Elsie Bell Becholdt, a birthday September 28 and Charles Swanson looks forward to his October 10. Wedding anniversaries will be observed by Carl and Elsie Becholdt October 1; by Irene and Joseph Duffee, now of Sacramento, October 2. On the latter date, Northie and Ernie Pomin of Tahoe Park mark 51 years of happy married life.

Rie and Joe Henry will be wedded 35 years October 10. Already passed are the anniversaries of Mr. and Mrs. Carlton Valentine, former owners of Lakeside Cabins, September 28 and the Carl Bechdolt Sr. who observed their first anniversary September 26. Many happy returns to each and to all.

Gary Henry is visiting in Auburn at the home of the Jack Stranathans and the Dave Donaldsons of Oakland and Jack Brain of Hayward have been the houseguests of the Al Henry Jr. in Tahoe City.

Carl Becholdt Jr., owner of the Tahoe City golf links, has given the Tahoe-Truckee high school football team permission to practice on the local greens and on October 25 at 2:30 the first football game of the season will be played there, with the Pine Grove eleven their opponents. Jim Brehler is coach and will be assisted by Bob Briggs and Gordon Butterfield. The townsfolk are welcome and rooters will be needed for the big event, so come and bring your family and friends.

Carroll Raymond of the Lake Tahoe-Sierra Chamber of Commerce announces that Lake Tahoe is due for some more excellent publicity in the January edition of General Motors magazine Friends, published in the east. Over the past weekend Tom King of San Francisco's Black Star Advertising Company, accompanied by an assistant, was here and took some beautiful pictures of Tahoe and its activities in color. Miss Raymond also announces that the next meeting of the chamber is being held Thursday, October 2, at 8 p.m. at George's Gateway at Stateline on the south end.

Charles Beardsley has moved his family back to their home in Oakland after having enjoyed a highly successful realty business this summer at Pineland. Their daughter, Elsie, had to return for the opening of school but the family will make frequent trips to the lake over weekends. Beardsley being a regular commuter. Am pleased to report that three

mighty fine gentlemen spent considerable time Sunday working on the local cemetery fence and report it is almost finished. They are Bert Anderson, Phil Geier and Inon Mitchedd. Additional help is needed and anyone able to contribute their services may call Bert Anderson at Tahoe City 4J3. All assistance will be greatly appreciated.

Mrs. Ruth Johnston, former Tahoma resort owner, was a recent guest of Mrs. Evelyn Bliss at Tahoe City. Mrs. Bliss gave a luncheon in her honor before she returned to her southern California.

The entire Tahoe area sincerely regrets the closing of popular Conger's Cafe and Motel in the heart of town for the winter. Sunday was the last day for the public to enjoy the homey atmosphere of their eatery and now the Congers look forward to a well earned rest. They plan to relax for a while here and then spend most of the winter in southern California, their former home, after a bit of vacationing and visiting.

Mr. and Mrs. Norman Mayfield of Tahoe City leave Tahoe this week for an extended vacation trip through midwestern states where they will visit with relatives and friends. Their first stopover will be at Salt Lake City where they will be the guests of Mayfield's nephew, Arthur Ables. A visit to the home of his brother, Vercy Mayfield of Denver, will follow. From there, they will continue to Illinois, where Mayfield was born and reared and where visits will be made at the homes of many remaining relatives. Good weather prevailing, they plan to remain away from Tahoe until Christmas.

A move of civic interest is afoot which has long been attempted by others in the past but which may this time have a chance of success. The Lake Tahoe-Sierra Chamber of Commerce is writing a letter to the district superintendent at Marysville asking him to send some one to the lake to survey the triangular section of land at the Tahoe City wye with an eye to beautifying this prominent site which greets the visitor as he approaches our fair city. It is planned to plant lawns and flower beds and place benches at convenient spots for the populace. This was tried for several years by the Women's Club of Tahoe but the prospect of a lot of red tape discouraged them and the task was considered impractical. Now with the new organization at the helm and a change at Marysville, it is possible the project may very well succeed. All civic clubs and organizations and local citizenry will be asked to help in the success of the plan if it is permissible.

Leave you for the week with a cheery adios to one and all. As ever, Swanee.

My Place In the Sun

by DOUG BARRETT
Young Joe Miller was riding with a four leaf clover in his heel the other evening.....he was coming down the Spring Street hill on his bike when his brakes failed.....he maneuvered a crash landing into Osburn's Associated Station.....without hurting anyone but himself.....saw him eating out with his grandparents, Joe and Mae Mattos, the other evening after a few days in the Tahoe Forest Hospital.....apparently little the worse for the hair raising experience.....Not so lucky was little one-year-old Sandra, Ferdinand, who took a mis-step backward.....and wound up with a plaster cast up her "little leg".....kind of discouraging when you're just learning to walk, opine parents Skip and Peg Ferdinand.....A new twinkle on the west end of Truckee's "little white way" is Bill Curran's new neon for Crystal Dairy Foods.....in the window of

his Mattos Beverage and Ice office.....Unique among our sidewalk signs is the new one in front of Jim Walker's Toggery.....a big black top hat replica on a bright red pole.....designed by Red Jolly.....Speaking of signs, one that strikes me as peculiar is one on the fence at the Truckee elementary school.....says simply "School: No Admittance".....it's a good thing for the ADA that the youngsters don't take it too literally.....Asked Manager Bob Saunders who was the No. 1 customer at the new Bank of America branch at the lower end of town.....he tells me the first one through the doors after they were opened was Bill Englehart Sr.....Dr. Larry Nelson taking Monday out of his practice to administer smallpox vaccinations at the Truckee schools.....took care of 48 at the elementary school and "around 40" at the high school.....

GAS TAX TAKE
The state board of equalization noted that net revenues from the 4 1/2 cent gasoline tax amounted to more than \$14,500,000 for the month of July, which is one of the state's heaviest travel months. The tax was collected on 357,000,000 gallons of gasoline and other high test motor fuel.

mation of the Donner U. S. 40 Chamber of Commerce has tremendous plans for the recreational and healthful development of the Donner area. As all workers in the new organization are devoting their time voluntarily to the efforts for the area's progression, we are using Summit Scene to tell you that the first piece of literature for the new chamber will be printed shortly in the form of a brochure. The colored map of the area is actually taken from a topographical map which will accurately show the trails, ski runs, lakes and historical spots of this country we seek to advance. Many have already signified their intention of contributing to the brochure which is to be entirely paid for it goes to press. If voluntary workers have not found the time to contact you in regards to your chamber's brochure, we would appreciate your getting in touch with either President Brant Chaplin or your truly.

A recent breakfast meeting of the board members was held at Rancho Sierra. It was reported a shuttle bus will again be operated this coming winter for the benefit of snow sport lovers. It was also disclosed that several hundred requests have been received for the brochure—not even as yet printed. A general meeting will be held at Donner Summit Lodge October 8 at 8:30.

Edvi Aro of Donner Ski Ranch was chosen to represent the area at the Far West Ski Association meeting in Sacramento October 30.

Another good date to remember is October 10 when the State Chamber of Commerce holds its regional meet in Sacramento at Hotel Senator. Jerry Carpenter says executives of the highway patrol, highway department and the automobile associations will be on hand to answer questions pertaining to parking problems, road clearing and correct weather and snow depth information and reports. Jerry asks that a goodly representation from Highway 40 and the new chamber attend this meeting.

Number One champion of the hill is Sanctuary Woods' Bandmaster—George, to you. The beautiful St. Bernard of the George Zorichs' was beautifully handled by Barbara Zorich at the recent Reno Dog Show. George returned home with four blue ribbons—in open class, best of breed, Pacific Coast breed and best of winners. George, however, prefers the rug in front of the fireplace at home with little Debby Zorich climbing over his huge frame.

Number Two champion is a dead one. When a 300-pound bear cavorts in your back yard, 'tis better that way. Sunbathing on a small creek a few hundred yards behind Virg and Wanda Misener's Soda Springs cabin, he was surprised by a couple of Ray Sorani's guests who had come up the hill for a weekend of deer shooting. He evidently didn't enjoy the surprise so he raised up on his haunches and thoroughly scared the bewildered hunters. Between the two of them, they managed to end the bear's career and so close was he to civilization that Ray managed to get his tow truck back into the trees to tow the animal in.

Number Three champions are the hard working directors of the Donner Summit Public Utility District. Not only have they gone through a period of upsets but now that an adequate and satisfying source of water (good, clean water too) has been located by drill in Summit Valley and the pipe has been delivered, they don their overalls and help lay it themselves, working frantically to beat the winter's storms. Jim Sherritt suggests that the district throw a wing ding in their tired honor.

Next weekend turns out the Legionnaires from northern California for Ice Lakes for their three day wing ding to celebrate the initiation of new officers. Invitation replies come in from all parts of the state and to date Chuck Reynolds reports that he expects about 75 out of towners beside the local Legionnaires.

Bud Horak reports that the Low XII Masonic group from Lake Tahoe recently celebrated at his Donner Summit Lodge with a candle light buffet.

Our young friend, Charlie Shaw

of Sacramento, kept us up quite late Saturday night by losing himself in the wilds around Lola Montez Lakes. Midnight sent the forest service boys back into the woods where they finally came upon the bewildered Charlie.

New neighbor with a French name (but in reality a Dutchman from Rotterdam) is Wouter Benier. Wouter hammers like mad as he builds himself a cabin in the Soda Springs subdivision for next week will find Mama Benier arriving from Rotterdam to inspect Wouter's enterprise.

Betty and Edvi Aro dragging themselves in after a couple of weeks of excellent fishing, visiting and cocktailing in Colorado. Blasting and noise from the Secco establishment (used to be Chantarella) now a new neon burning brightly and big in the front says its name has been changed to "Crest Lodge." Said blasting is to remove rocks so that further construction can go on—and it is, Don and Les Hart's folks from Stockton visiting "their boys" at Soda Springs. Ruby Allen sojourns in her Soda Springs cabin until winter will drive her out—our "Diana" hasn't killed her buck yet but she will or else break a long standing record of a buck a year. Tired steel workers and others workers praising the gods of weather for the fine days that are enabling them to rush work on the huge Sugar Bowl project. Fire engine red paint on the Soda Springs Ski Corporation lifts will make a peppermint candy effect when the snow comes.

Interesting sights: Wanda Misener teetering on a high ladder as she oils the outside of her pretty cabin. Gloria Parrott splitting her winter kindling while the Parrott babies sun themselves in their buggies. Jeannie Moriano being dubbed official mountain baby sister. Ernie Johnson of B&B No. 7 pounding a piano at Beacon Hill Lodge and astonishing his conferees, as well as Beacon Hill guests with his talents. The 54 sports cars that made a pretty parade eastbound on Highway 40 Saturday and westbound Sunday. The excellent pastels done by Bob Roberts of said B&B No. 7 of the wild flowers of our region.

Lauren Woffard, new owner of Steen's Motel, entertains Mama Woffard from Fresno this past week. Mountain-blooded Madyon, Bud and Starr Walton seen station wagoning around these parts last weekend.

Strictly for the gals: In closing, ladies, would like to warn you of a new wrinkle in "picking up" tactics. Your truly, with enough gray hair and avoirdupois around the sections that denote the fact that spring has fled, was driving along "40" and minding her own business. Time: 9 a.m. Place: nearing Emigrant Gap for the chamber board meeting. A car followed me so closely that I feared the driver would pilot same through the rear window. He honked his horn repeatedly and, being a courteous driver as well as a slightly scary one, I moved over thinking that he wanted to pass, although there was plenty of room at any time for passing. On moving over onto the shoulder the other driver moved his car closer, forcing me over further onto the shoulder. Then he pointed at the rear end of my car and shouted something. Thinking that the car was burning up or falling apart, I naturally stopped. Don't ever "naturally stop," even if you feel your car is falling apart. A wordy battle ensued which I shall not repeat. On relating my experience later, I find that this is a new wrinkle for desperate wolves. Having never been "tackled" in this manner before, I was "thrown out of gear" enough that I didn't get the gent's license number. Anyhow, gals, just don't "naturally stop."

The Soda Springs water works is on its way with everything running smoothly. Drilling in the Summit Valley has disclosed ample clear and good water for our needs. We feel that a new lease has just been given us on a better future.

NORTH TAHOE

by THELMA BURROUGHS

Our community is saddened by the death of its well known and beloved Mulford Miles who passed away at a Palo Alto hospital last Sunday night at 12:30 a.m. A shining example of courage and fortitude, Mulford will live long in the memories of those who know him. Services are to be held at Roller-Hagood Funeral Parlor, 980 Middleford Road, Palo Alto, at 11 o'clock Thursday, October 2. Surviving are his wife, Florence, two sons, Douglas and David; a daughter, Camy Althoff; one grandson, Christ Althoff; a brother, Ike Miles of Kings Beach. Florence and the boys will continue to make their home in Palo Alto.

Mel and Era Millar of Tahoe Vista left for Los Angeles last Wednesday for a business vacation which will last for about a month.

P. R. Murray left on Wednesday for Alameda where he will visit with his brother and family for a while before going on to San Jose to visit with Mrs. Murray's niece, Alma, for a few days before going on to Merced for the winter.

World Wide Communion will be observed by the Community Methodist Church members next Sunday, Rev. Clyde Teel of Sacramento will preach the service.

The hour was at dusk. Setting: Wee Kirk o' the Pines open air chapel. Occasion: A wedding ceremony, beautiful in its simplicity, uniting in holy matrimony Miss Elinor Ditto and Sidney A. Frye, both of Oakland. It was a private service in the presence of a few witnesses. The bride is secretary to David Gilmore, Kings Beach and bay area attorney. While honeymooning at the lake, the Fries are guests of Ed Malley at Crystal Bay. After their honeymoon vacation they return to Oakland. Dr. Dillon W. Throckmorton performed the beautiful service. Frye is connected with the atomic research department at University of California at Berkeley.

Mrs. Alice Sorensen has returned from her short vacation trip to Paradise, visiting her mother and sister. She was accompanied by little Dixie Reese of Crystal Bay.

The Women's Club of North Tahoe held its first fall meeting at Hunter's Inn Thursday, September 25. Twenty-two members and visitors enjoyed a delicious roast beef dinner.

Andy and Alice Sorensen left last Thursday with a hunting party headed for the Elko, Nev., hunting grounds. Alice says she will stay in camp and catch up on her reading. Wonder who will do the cooking for all those men?

Tony and Pearl Martin have purchased and moved into the former Warden Fields home on Brockway golf course.

Lake Level at 6228.30;
10 Gates Open

TAHOE CITY—The level of Lake Tahoe Monday morning was 6228.30 with ten gates open, reports A. E. Frodenberg, official observer. Daily high and low temperatures for the week before were Sept. 22nd: 74, 40; 23rd: 72, 43; 24th: 74, 44; 25th: 70, 39; 26th: 72, 41; 27th: 67, 41; 28th: 70, 41; 29th: low, 39.

Back on Ranch—Mr. and Mrs. Don Huff have returned to their Woodland ranch from Homewood.

Leaves Brockway—Mrs. William Reinhardt wrote from Brockway that she is returning to San Marino this week.

In Capital City—Mr. and Mrs. John Neronde, who have been at Tahoe City this summer, are now at Sacramento.

Return to City—Mr. and Mrs. A. R. Specht and family, who summered at Tahoma, have returned to San Francisco.

INJUNCTION ASKED TO HALT SALE OF TAHOE P.U.D. BONDS

KINGS BEACH— A \$103,000 assessment for sewer improvements levied by the North Tahoe Public Utility District is being challenged by Chris D. Johnson and G. Simi of Sacramento. Both own property at Tahoe Vista.

They have started injunction proceeding in the the superior court at Auburn and have obtained an order to show cause directed against the district's directors, returnable by October 27.

The two will ask a permanent injunction and restraining order to prevent sale of additional bonds by the district. They complain that district bonds outstanding already exceed the legal limit, boundaries of the district were extended in a manner contrary to law and no incorporation election was called after a valid petition for that action was filed with the county clerk last year.

Simi and Johnson estimate their

TAHOE CITY— First PTA meeting of the season was called to order last Thursday afternoon at Tahoe Lake School by President Mrs. Jean Henry of Tahoe City, 15 attending.

A committee was appointed to supervise plans for the big annual Halloween party which will be held in the school auditorium on October 31. Mrs. Beccy Shontz is chairman, with assistants Mrs. Marion Rustad, Mrs. Mary Anna Connors and Mrs. Marvin.

Mrs. Frances Gilmstead was appointed treasurer of the PTA in place of Mrs. Diane Briner, who is now residing near Stanford University where her husband is attending classes.

The Tahoe-Truckee school district share of the \$103,000 assessment will be \$3,500 unless the court restrain the defendants.

Metteers Are Leaving For New Location

Mr. and Mrs. Eugene Metteer, residents of Truckee for the past three years during which time the former was manager and distributor for the Union Oil Company, are visiting in Sacramento before closing out their business here in the near future.

The Metteers plan to leave in about two weeks for a new location, not immediately announced. Their many friends here will regret their departure.

The company affairs are being taken over by a direct representative.

Family from Capital—

Mr. and Mrs. V. Briley and Miss Shari Reynolds of Sacramento are expected to visit Mr. and Mrs. Sarge Reynolds this weekend.

CARD OF THANKS

Following my recent accident, many lovely expressions of kindness were received from local friends which I sincerely appreciated and am taking this method to thank all those who sent messages.

STREAMLINED DEER HUNTING IN AREA

"How streamlined can deer hunting get?" asks Captain Ken Hooker of the state fish and game patrol, who was assigned to this area's deer patrol as the Sierra hunting season opened recently.

Hooker reported that hunters were using the Squaw Valley ski lift, on a regular streetcar schedule, to get them and their equipment up the hill on opening day. "... and they planned to bring their deer out the same way," he added. He also observed one hunter who arrived at Brockway Summit above Lake Tahoe in a taxi. "Meet me here between 6:30 and 7 tonight so I can get my train out of Truckee," he told the cabbie.

Hooker assumed the hunter, if successful, would simply pay an extra cab and train fare (lower berth perhaps) to land his trophy at the depot nearest home.

Back from Trip—

W. W. Porter has returned from a recent business trip to Berkeley and the bay region.

Webbs Leave Lake—

Mr. and Mrs. J. Paul Webb have returned from Lake Tahoe and are now working to complete their new home near Loomis.

Wed 60 Years—

The 60th wedding anniversary of Mr. and Mrs. J. C. Langille was celebrated at Oakland by Mr. and Mrs. Harold Langille of Truckee and other members of the family on September 28.

Return to Santa Cruz—

Mr. and Mrs. Fred Dolley of Santa Cruz left Monday after visiting Mr. and Mrs. N. F. Dolley.

Called South—

Mrs. L. D. Nelson and son Doug left for southern California on Monday to attend the funeral of her aunt.

Mr. and Mrs. Roy McKinnon of San Francisco and Mr. and Mrs. John Clark of Sacramento spent the past week at the Anton Mahne home.

SCHOOL FOOTBALL TEAM SCRIMMAGE AT TAHOE FRIDAY

The Tahoe-Truckee High School Wolverines will put on their first public appearance of the year Friday. The squad is scheduled to hold a practice and game scrimmage at the Tahoe City golf course tomorrow as a warm-up for their first game with Loyalton High at Loyalton October 10.

The Wolverines will hold a general practice session from approximately 2:30 to 4 p.m., with the game scrimmage scheduled to commence at 4 o'clock. The squad has been divided into the "Reds" and the "Whites" by Coach Jim Brehler and should provide some interesting football for local fans. A regulation field will be marked off on Carl Becholt's Tahoe City course for the scrimmage. This same field will be the scene of the Wolverines' only home appearance this year when they tackle the Pine Grove School of Volcano at 2:30 p.m. October 25.

The local high school now has four games on its 1952 schedule. Besides the Loyalton and Pine Grove games, the Wolverines will meet Lincoln on Tuesday, October 21, at 3 p.m. and Chester at 2:30 p.m. October 31.

Line-up for Friday's game scrimmage:

Reds: Bob Tonini, RE; Charles Cozzi, RT; Ronnie Sanford, RG; Harry Reuck, C; Dick Mandeville, LG; Dave Germain, LT; Joe Copeland, LE; Hugh Van Hooser, QB; Wilbur Conyers, FB; Jerry Quam, LH; Dallas Marquis, RH; Bert Falbaum, Don Stark, Pat Griffith, Bon Sanford, reserve.

Whites: Clyde Mandeville, LE; Tom Grow, LT; Wayne Germain, LG; Bill Walker, C; Charles Smith, RG; Gary Brumbaugh, RT; Ronald Pelley, RE; Bob Bell, QB; Lewis Fellows, FB; Jay Stuart, LH; Jack Van Hooser, RH; Jim Carter, Mike Soltau, Rolland Gautsche, reserve.

HUNGRY TROUT HIT RED FOOD, SHASTA SURVEY DISCLOSES

Biologists at the state's Mount Shasta fish hatchery here are confirming what many anglers may have suspected — hungry trout go for red-colored food in a big way.

Faced with the problem of "dressing up" a new-type pellet fish food for trout "eye appeal," the hatchery staff experimented with various colored corks and took movies of the results.

Blue, yellow, green and white corks were tossed in succession into the trout ponds. The trout were completely apathetic.

"Then we tossed in a red cork," reported biologists Hal Wolf and Joe Wales, who devised the experiment. "The trout went crazy. They chased the cork up onto the bank!"

Continued experiments showed such consistent results that Wales took color movies of them as proof to convince skeptics—if any.

Although the final results of the experiment aren't all in yet, Wolf suggests that trout anglers might try switching color of lure, if their luck needs changing.

"Perhaps our hatchery trout have a 'conditioned reflex' to red," he added. "Anyway, the experiments seemed to show that trout can differentiate between colors, and the hatchery fish choose red. Try it yourself, and let us know the results."

Bowens Back—

Mr. and Mrs. D. W. Bowen of Sacramento were visiting local friends here and at Donner Summit today.

At Parker Home—

Mr. and Mrs. C. F. Files and Buck Coles of Lincoln were weekend visitors at the home of the E. A. Parkers.

Marriage License—

Henry J. Toccalini and Lola McDermott, both of Truckee, were issued a marriage license at Reno this week.

LOWERED LAKE TAHOE LEVEL IS STILL UNDECIDED

FALLON—Lake Tahoe's level cannot be lowered by a greater amount than necessary to maintain what is known as Floriston rates unless by court permission, it was pointed out by the Truckee-Carson irrigation district office, the Fallon Standard reports.

Reference was made to recent account from Carson City stating that the lake level will be lowered approximately one foot as agreed September 23 at a Glenbrook session of the interstate Lake Tahoe water conference.

The Carson City report said "the lake level now at 6228.32 (maximum 6229.1) will be lowered to about 6227 by November 15." This would bring the level

to two feet below maximum.

A TCID spokesman says that it is necessary to meet certain conditions and to have certain evidence to present in the federal court to gain approval before taking steps to lower the level.

It was explained that Floriston rates were maintained until a few days ago by withdrawing from Boca reservoir. Since the Floriston rates have been sustained by withdrawals from Tahoe.

High waters in recent years have caused some damage to lake shore installations and property.
